Principal's Message

On this momentous occasion of DAVFPS Founder's Day, I extend my heartfelt wishes to all those who are or have been associated with this institution in its twenty-seven-year long journey.

This is a moment that allows us to reflect on our journey and celebrate all that we have achieved till now. At the same time, this is also a day to adjust our sails and set on a new voyage ahead. Our goal is to build a strong foundation for a sound development of all faculties in children essential for them to be successful in life.

It is our vision and mission to impart quality education and equip the children with skills required to become successful individuals in the 21st century. It is also our sincere commitment to achieve international standards in education and groom our students to be responsible global citizens.

This Achiever's Special edition of the newsletter presents a glimpse of the success stories that our students are scripting with their commitment and perseverance. I am sure these stories will motivate other students to expand their horizons and touch greater heights.

I take this opportunity to convey my sincere gratitude to DAV College Management Committee, the management of YARA Fertilizers India Private Limited for their guidance and support to run the institution efficiently. Finally, at the end I pray to Almighty God to bless, protect and guide us into the future.

With best wishes

DAVFPS gets British Council International Dimension in Schools certification

“The journey of a thousand miles begins with one step.”

– Lao Tzu

DAV Fertilizer Public School has been recognized with the British Council’s prestigious International Dimension in Schools certification in appreciation of its work to bring the world into the classroom.

The International Dimension in Schools certification celebrates the achievements of schools that do exceptional work in international education. Fostering an international dimension in the curriculum is at the heart of the British Council’s work with schools, so that young people gain the cultural understanding and skills they need for life work in today’s world.

Virtual Certification ceremony was held on March 22, 2022.
