Analysis 2011 of Class X**

# The Shooting Star

It is wonderful  
To see a shooting star  
Sudden disappearance  
From light to dark.  
Hey! Where it 's gone  
Nowhere to be seen  
Mysterious black  
A far off gleam.  
Much talked of  
Soon forgotten  
Hesitantly comes out of  
Dead and rotten.

A new life has emerged  
With fresh glow of a star  
Music of birth is sung by  
chirping birds and blooming flower.  
Up goes the old  
Shattered and fed up  
Twinkle and smile  
In the blue canvas above.  
They are the friends  
Our loved ones  
Departed souls  
Now maintaining distance.

.....Kumkum
