Independence Day Celebration 2011

On 15 August, 1947 India got freedom from the evil clutches of British. Tatachem D.A.V. commemorated 64 years of India's independence with great enthusiasm. Even the drizzling showers could not dampen the spirit of students, teachers, parents and employees of Tata Chemicals Limited.

Mr. O.P. Tripathi, Chairman, Tatachem D.A.V. Public School, Babrala unfurled the National Flag and was given the Guard of Honour by TCL security personnel and School's NCC Cadets. Then Mr. O.P. Tripathi inspected the parade. School children from TCDVA added colours to the celebrations with patriotic presentations through a short Cultural Programme. Some security guards who exemplified acts of bravery and NCC cadets from school were honoured on this occasion. The highlight of the cultural programme was a skit depicting some inspiring moments of great freedom fighter Bhagat Singh's life which was appreciated by everyone. Students also presented group songs that ignited the patriotic zeal. An action song performed by young kids stole the show. The programme ended with sweets distribution.

Jamashtami Celebration 2011

Janamashtami at TCDVA- A Joyful Celebration

India is a land of festivals where each festival brings the fragrance of India's immortal culture and binds us more closely to our roots. As western culture is creeping fast into our culture, it is very essential to keep our young generation aware about their glorious culture and festivals. Tatachem D.A.V. celebrated the festival of Janamashtami with zeal and zest. A special assembly was conducted to mark the day of Lord Krishna's birth. On this occasion students gave mesmerizing performance depicting various 'Krishna leelas'. Small kids dressed in dazzling attires as Krishna, Radha and sakha brought Vrindavan alive on stage.

Various aspects of Lord Krishna's life were beautifully presented on stage like Krishna-Janam, Makhan chori, Raaslila etc. All the performances were highly appreciated as well as enjoyed by the audience.

‘The people of a country are the enlarged replica of their teacher.’

Tatachem D.A.V. observed the birth anniversary of India's second President Dr. S. Radhakrishnan with zeal and zest on September 5, 2011.

Students of class XII took charge of the classes as a mark of respect for their teachers. Then the students presented a wonderful programme where through an interesting skit they showed their gratitude towards their teachers.

A special programme was arranged for the teachers, which was presided over by Mr. O.P. Tripathi, Chairman TCDV. The programme was also attended by Mr. G.K. Rao, Assistant Vice President (Operations) Tata Chemicals Limited and LMC members. Addressing the teachers Mr. O.P. Tripathi appreciated teacher's role in building a strong nation and invoked them to work for quality education to transform the students into the responsible citizens of tomorrow.
