Himalayan Trekking

Himalayas have always been a fascination for the adventurous spirits. Being the part of Himalayan Landscape is a divine experience. In collaboration with Tata Steel Adventure Foundation, TCDV organized a Himalayan Trekking tour in its fifth consecutive year. A group of 12 students escorted by Mr. Sanjeev Johari and Mrs. Madhu Rajoria made its mark on Dayara Top, which is 12,800 feet from sea level. The group also shared some precious moments with Ms. Bachhendri Pal, a legendary mountaineer. The tour started on May 25, 2011 and successfully ended on June 3, 2011. All the participants found it to be a lifetime experience.

PLAY IN RAIN

When we play in rain
If we slip, it really pains!
We play game
Oh! Without any shame
When thunder goes bright
Of course! There is fright
We come home in time

As the rain is gone and now it's sunshine.
