A Quarterly E-Newsletter

July- 2014

On Friday 4th May the whole school community joined together to celebrate the foundation of our school. All involved left no stone unturned to make this day to be etched in memory. A ceremonial welcome was given to our Chief Guest Mr. S. Bhaskar Kumar, Chairman of the school and Vice-President (Manufacturing) T.C.L.. The inaugural ceremony commenced with the auspicious lighting of 'Deep Shikha', the lamp of knowledge by the Chief Guests and the Principal Mr. Jagdish Singh. After the lamp lighting Principal accorded a very warm and heartfelt welcome to all the guests and presented the annual school report tracing out the progress made in the last session. Our honorable Chief Guest Shri S. Bhaskar Kumar shared his pearls of wisdom delivering a very motivational speech in which he applauded the efforts of the whole team of T.C.D.A.V. for the all-round development of the school. Thereafter many students and teachers were honored in academic and non-academic field. Mrs. Anjana Saxena (teacher), Mr. Rajesh Kumar Gautam (Office Staff), Mr. Kripal Singh (Supporting Staff) were awarded the 'Principal Cup' for the remarkable proficiency in their field during the session.

Founder's Day 2014-15

On this occasion our magazine 'Darpan' was also released by our honourable Chief Guest. To enable a direct communion with the supreme power the show commenced with the Saraswati Vandana. Our tiny tots rocked the stage with their dancing steps. The Symphony of orchestra captivated the crowd. The splendid performance of Qawwali was also appreciated by the audience. The Hindi skit 'Ummidein' left a message among the audience not to crush the childhood of the young buds by imposing their high expectations. Sanskrit skit threw light on the traditional and ideal bond between a teacher and student. The emotional dance drama inspired us to be always optimistic in our life. Graceful steps of Kathakali fusion dance added great elan made the audience tapping the floor. The zing with which the students displayed fitness through aerobics and gymnastic, had the audience so inspired, that one would want to 'hit the gym' the very next day. The parents, relatives & friends of our students came in good numbers to be part of the school day. The teachers of the school were instrumental in putting up this beautiful programme.

Mrs. Ekta Dwivedi, Mrs. Ranjan Bhatnagar, Himanshu Agrawal (student) Deepanshu Varshney (student) compered the programme and Mrs. Vinita Srivastava proposed the vote of thanks.

The programme concluded with everyone standing up for the National Anthem.

A two days Science exhibition for minority students was held on 13th and 14th May 2014 at Tatachem DAV Public School Babrala by Science Aur Kainat Society of India. The main objective of the exhibition was to promote minority group of students. The exhibition was inaugurated by the Chairman of our school and Vice President (manufacturing) of T.C.L. Mr. S. Bhaskar Kumar. He very well encouraged the students to participate in the exhibition and to take maximum benefit of this great opportunity. Our honorable Principal Mr. Jagdish Singh paid his sincere thanks to the organizer Mr. S. M. Faizani for conducting such a wonderful and apprising exhibition. The main resource person Mr. Deepak Sharma and Mr. Matin Ansari presented various scientific principles like Magnetic Centralization, Black Spot in Sun, and Rocket Launching etc. in a very attractive and easy way which enriched the knowledge of our students in understanding the logic underlying various scientific principles. The centre of attraction for the small students was puppet show which entertained the students presenting various aspects of health, daily cleanliness, healthy daily routine, patriotism and short stories. The students of Kainat International School (Sambhal) exhibited various attractive models. In the evening many students were called to observe the stars and different planets with the help of telescope.

On 14th May, the second day a Science based debate was conducted on the topic 'BT Brinjal a Bane or a Boon' in which Aditi Shukla, Ayushi Singh and Arpita Banerjee secured 1st, 2nd, 3rd positions respectively. On this occasion a quiz was also conducted in which 8 teams of students participated enthusiastically. Many scientific aspects were also presented through different models prepared by the students of Tatachem DAV Public School Babrala and Kainat International School (Sambhal). In this competition the host school got the first position and second position. The third position was secured by Kainat International School (Sambhal)

The main organizer of this exhibition Mr. Faizani threw light on the fact that Science and Kainat society of India is an N.G.O. which works in association with the Please Help Foundation (New Delhi) and Chariot Charisma .The main objective of this exhibition is to give awareness of science to the minority group of students so that they may progress in various scientific fields.
