Spectrum

Quarterly E-Newsletter July- 2015

Greetings to all the readers!

It's a pleasure to present first issue of Spectrum for the Session 2015-16. This edition highlights our students' laudable performance in AISSCE and AISSC-2015. This year too, our students performed well and brought laurels to their school. I congratulate all the teachers and students whose hard work got a recognition in the form of our students' amazing performance. Success doesn't know any excuse and this has been proved by our students time and again. In spite of being located in a rural area, TCDAV has been giving strong competition to the prestigious schools of the district. Three students of our school qualified prestigious AIEEE-2015 (Mains) in their maiden attempt. In the month of May, our school marked its twenty years' journey with jubilant celebration of Founder's Day. We also got an

honour to organize a workshop 'Samvardhan' for senior secondary teachers of UP and UK Zone. I sincerely hope that this encouraging beginning of the session will drive the whole year into another dimension of success.

Jagdish Singh

Principal
