“Gender Sensitivity means **GENDER AWARENESS** which is more analytical and critical since it clarifies issues about gender disparities and gender issues.”

Beyond pervading darkness, may we always seek light; And move higher and higher towards Eternal Radiance

**A Pious Beginning of the Session 2017-18**

First day of the session always holds an immense importance as it is the first step of the yearlong academic journey. TCDAV once again buzzed with activities on April 10, 2017 as the new academic session commenced. An excitement and happiness of reaching to the next class and meeting the friends after a long break was evident on the faces of the students. Following the DAV traditions, all the students gathered for a special assembly to perform hawan and seek blessings of Almighty. This blissful ceremony was aimed at

inculcating a sense of respect towards traditions and infusing the students with righteous virtues. Hawan started with paying offerings to god with the chanting of mantras. Principal, Mr. Jagdish Singh, all the staff members and students offered aahutis in the hawan. The ceremony ended with ‘purn aahuti’ and distribution of ‘prasad’. Principal, Mr. Jagdish Singh blessed all the students and wished them all the best. Afterwards, students proceeded to their classes where class teachers interacted with them.

**Gender Sensitivity Workshop**

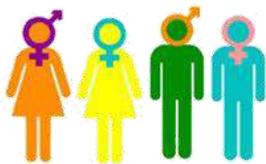

In order to promote and integrate gender sensitivity to the process of education, Tatahem D.A.V. Public School, Babrala organized a one day workshop on Gender Sensitivity for the teachers of CBSE schools on 6<sup>th</sup> April, 2017 under the aegis of C.B.S.E. New Delhi. A two-day workshop, on enrichment and empowerment for Sr. Sec. teachers

Under the aegis of DAVCMC, Chitra Gupta Road, New Delhi and the kind guidance of Regional Centre for Academic Excellence, UP - B Zone, Cluster 2, TCDAV Public School, Babrala organised a two-day workshop **SAMVARDHAN** on teacher enrichment and empowerment for Sr. Sec. Teachers of eight subjects Physics, Chemistry, Biology, Mathematics, Economics, Computer Science, Accountancy, Business Studies and English Core. A total of 35 teachers of

5 DAV Public Schools including the host school attended the workshop. The workshop was formally inaugurated by Mr. Jagdish Singh, Principal of the host school by lighting the ceremonial lamp. After a brief cultural programme and formal welcome, Mr. Singh enlightened the participants about the importance, scope and the purpose of the workshop. He exhorted and inspired them to participate in the workshop whole heartedly and make meaningful contribution to make

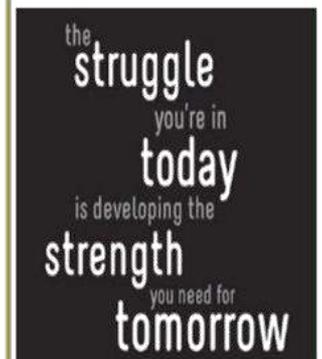

the workshop a success.

After the inaugural session, all the participants were sent to their respective venues for training. For two days (22nd and 23rd May 2017), the participating teachers discussed the changes in CBSE Curriculum and Examination pattern, their common problems, teaching methodology and teaching strategies. The senior teachers of the host school and some participants in each subject dealt with important areas /

chapters, concepts, skill and application enhancement and other important areas.

In the closing session, we were honoured with the presence of Pt. Devendra Bharadwaj, a staunch Arya Samajist. Panditji exhorted all about the importance of a teacher in for students and building of a nation. He called the teachers the representatives of Brihaspati, Gayatri, Savitri and Chanakya and motivated them by citing inspiring anecdote from the lives of eminent personalities.

The workshop came to an end with an exhortation to apply the knowledge acquired in the workshop to the best benefit of the students. They were inspired to perform their duties in the best interest of the students. A vote of thanks was proposed to all for their efforts to make the workshop successful.

“Every teacher needs to improve, not because they are not good enough, but because they can be even better.”

## Summer Camp

### Making Memories that last a Lifetime

Summer holidays for children are a break from regular routine of going to school. However, it also gives them an opportunity to sharpen certain life skills while having fun. Tatachem D.A.V public School transformed itself into a home for 161 participating students and organized a summer camp for the classes IV to VII from 19/05/2017 to 20/05/2017. On May 19, 2017, Principal, Mr. Jagdish Singh inaugurated the camp. He

encouraged the students to participate actively and learn life skills that will help them to face the challenges in a better way. The summer camp focused on overall personality development along with creative sessions on art & craft and other activities. During their stay in the school for these two days children tried their hands on various interesting activities like tree plantation, craft, cooking without fire, adventurous sports,

singing and dancing etc. They also enjoyed a movie show and surprised everyone with their talent during the talent hunt. All the students enjoyed this camp whole heartedly with their friends. This camp also helped them to enhance their self confidence as they carried out their daily tasks themselves without the help of their parents. This initiative of school received appreciation from all.

## Tree plantation by Tiny-Tots

*Let us provide a safe place to live for our children and to our grandchildren.*

Working towards this noble cause, K.G. Wing of our School organised a Tree Plantation activity on 22 July 2017 to sensitise students on the value of tree plantation. The saplings and clay pots were arranged from the

TCL Nursery. Principal Sir initiated the activity by planting a sapling. Afterward the little kids of the K.G. Wing enthusiastically planted the saplings in decorated pots. The activity turned out to be an activity of coming closer to nature. After plantation the teachers demonstrated the correct process of hand wash. The kids enjoyed planting the saplings.
